Mar 2004

ORS Simulation Conference: 23-24 Mar, Birmingham. An opportunity to exchange ideas on the current and future state-of-the-art in simulation modelling, with a particular focus on discrete-event simulation.

Research in Teaching and Learning - Getting Started: 24 Mar, Royal Institute of British Architects, London. The purpose of the workshop is to provide an overview of the scope of pedagogical research in science related disciplines.

Day Break course – Teaching OR in Business Courses. 30 Mar, University of Southampton, presented by the LTSN Maths, Stats & OR Network. A one day course, given by Julia Bennell, Sally Brailsford and Stewart Robinson, to enhance teaching skills in delivering OR material to undergraduate business courses.

Apr 2004

ATM 2004: 5-8 Apr, Loughborough. Annual Conference for the Association for Teachers of Mathematics.

BMC 2004: 5–8 Apr, Belfast. The 56th British Mathematical Colloquium will be held jointly with the 17th Annual Meeting of the Irish Mathematical Society.

MA annual conference 2004 - MATHS TAKES SHAPE: 13-16 Apr, York. An exciting programme of keynote lectures from leading figures in education and mathematics, practical sessions on aspects of mathematics education and how they may be supported and enhanced in the classroom, and many social opportunities to meet new colleagues and old friends.

Day Break course – Teaching Time Series Analysis: 14 Apr, RSS Offices, London. A one-day workshop covering aspects of teaching time series analysis, led by Chris Chatfield.

BAMC 2004 – British Applied Mathematics Colloquium: 19-22 Apr, University of East Anglia.

Second UAS Conference: 22 Apr, London. Meeting to share experiences, methods and approaches to UAS at the Institute of Physics, 76 Portland Place, London. To reserve a free place contact Valerie Burke-Ward, valerie@uas.ac.uk, or tel 020 7731 5496.

May 2004

Day Break course – Teaching Undergraduate Statistics using 'R': 19 May, University of Leeds. A one-day workshop led by Charles Taylor.

Day workshop - Widening Participation: 19 May, Aston University. The MSOR community has for a long time had to provide for a wide range of ability and motivation in its students. Consequently, there is already a great deal of good practice in encouraging and supporting

widening participation in MSOR in higher education, This workshop, while sharing good practice, will also take a critical look at some of the problems the community still faces and look for ways forward to address them.

Jun 2004

The Future of Mathematics Education: 26 Jun – 1 Jul, Ciechocinek, Poland. The 7th international conference organised by the *Mathematics Education into the 21st Century* project.

4ecm: 27 June-2 July, Stockholm. 4th European Congress of Mathematics, organized by the Royal Institute of Technology in collaboration with Stockholm University, under the auspices of European Mathematical Society.

Jul 2004

ICME-10: 4-11 July, Copenhagen. The four-yearly International Conference on Mathematical Education.

PME 28: 14-18 July, Bergen. Annual international conference in the Psychology of Mathematics Education.

TIME-2004: 15-18 July, Montreal. International Symposium on Technology and its Integration in Mathematics Education

Sep 2004

UMTC 2004 Undergraduate Mathematics Teaching Conference: 1-3 Sep. See page 16 for further details.

ALT-C 2004: 14-16 Sep, Exeter. 11th International Conference of the Association for Learning Technology.

Oct 2004

ICTCM 2004: 28-31 Oct, New Orleans. 17th Annual International conference on Technology in Collegiate Mathematics. Combines presentations, panels, calculator workshops, computer minicourses, professional development workshops.

2005

BCME 2005: 30 Mar-2 Apr 2005, venue to be announced. British Congress of Mathematical Education

Joint BMC and BAMC: 4-7 Apr 2005, Liverpool. Format of this meeting will be different from the first joint meeting, in that lectures on pure and applied mathematics will take place at the same time rather than on adjacent days.

ICTMA-12: 10-14 Jul 2005, London. International Conference on Mathematical Modelling and Applications

ICTMT-7: 26-29 Jul 2005, Bristol. International Conference on Technology in Mathematics Teaching
