June 2003

LTSN Workshop on mathematics in VLEs: 17 June, Newcastle-Upon-Tyne - full details on page 59

ITEM: 20-22 June, Reims, France. European Congress on Integrating Technologies into Mathematics Education

3rd CAME Symposium: 23-24 June, Reims, following ITEM. The theme is Learning in the CAS environment: effects on habits of mind, curriculum and assessment

ICTME2: 23-25 June, Lebanese American University, Beirut. The International Conference on Trends in Mathematical Education

ALM10: 29 June-2 July, Austria. 10th Adults Learning Mathematics Conference

July 2003

IMS 2003: 7-11 July, Imperial College. The International Mathematica Symposium provides an opportunity for those using Mathematica in research or with students, or developing products based on Mathematica, to share results with like-minded colleagues.

7th CAA conference: 8-9 July, Loughborough. Annual International Computer Assisted Assessment Conference

ICIAM 2003: 7-11 July, Sydney. The fifth International Congress in Industrial and Applied Mathematics

PME 27: 13-18 July, Honolulu. Psychology of Mathematics Education Annual Conference

MSW 2003: Maple Summer Workshop: 13-15 July, Wilfrid Laurier University, Ontario, Canada. Topics will range from the physical sciences to automatic online assessment.

Online workshop on authoring online materials in mathematics: 14-18 July, offered by the MAA - see details on page 36

CIEAEM 55: 22-28 July, Plock, Poland. International Commission for the Study and Improvement of Mathematics Teaching

ICTMA 11: 27-31 July, Wisconsin. The International Conference on Teaching Mathematical Modelling and Applications provides an international forum for the presentation and exchange of research, information, methods, materials, and ideas related to the teaching, learning, and assessment of mathematical modelling, mathematical models, and applications of mathematics.

Fifth Practical Bayesian Statistics Conference: 28-31 July, The Open University

August 2003

Creativity in Mathematics Education: 3-9 Aug, Bulgaria. Conference focusing on the development of creative

mathematics education for gifted students, covering educational systems, culture, technologies, and positive practices, theories, research results.

September 2003

First Brazilian Conference on Statistical Modelling in Insurance and Finance: 1-6 Sept, San Paulo.

UMTC: 1-3 Sept, Birmingham. Undergraduate Mathematics Teaching Conference - full details on page 59

ALT-C 2003 - communities in practice: 8-10 Sept, Sheffield. Will include a refereed research strand on e-learning and the use of learning technology, and presentation of the LTSN Generic Centre e-Tutor of the Year Award...

Induction Course for new lecturers: 18-19 Sep, Birmingham. A two-day induction course for lecturers new to teaching mathematics in UKHE, organised by the Maths, Stats & OR Network.

The Decidable and the Undecidable in Mathematics Education: 19-25 Sep, Czech Republic, from the Mathematics Education into the 21st Century Project. Papers are invited on all innovative aspects of mathematics education.

Oct 2003

ICTMT6: 10-13 Oct, Volos, Greece. 6th International Conference on Technology in Mathematics Education, in parallel with the Panhellenic Conference on the Didactics of Mathematics and Informatics in Education.

ICTCM 2003: 30 Oct-2 Nov, Chicago. 16th Annual International conference on Technology in Collegiate Mathematics.

Nov 2003

AMATYC 2003: 13-16 Nov 2003, Salt Lake City. Annual Conference of the American Mathematical Association of Two-Year Colleges.

Remarkable Delta 03: 23-27 Nov, Queenstown, New Zealand Conference on mathematics education specifically targeting the tertiary level.

Dec 2003

ATCM 2003: 15-19 Dec, Taiwan. The 8th Asian Technology Conference in Mathematics. The conference will cover a broad range of topics on the relevance of technology in mathematical research and teaching.

2004

ICME-10, 4-11 July 2004, Copenhagen. 10th International Conference on Mathematical Education
