
Diary

November 2002

Maths Support Workshop: 25 Nov, Swansea. Maths support for non-specialist students in science and engineering departments,

Librarians Day, 26 Nov, Birmingham. Several LTSN subject centres are collaborating on a day event for librarians who deal with subjects related to Engineering, Mathematics, Computer Science and Information Studies.

December 2002

Online Information 2002 Conference and Exhibition: 3-5 Dec, Olympia, London

BASS: 9-13 Dec, Savannah, Georgia. 9th Annual Biopharmaceutical Applied Statistics Symposium

ATCM-7: 17-21 Dec, Malaysia. 7th Asian Technology Conference in Mathematics

ICORD 2002: International Conference on Operations Research for Development, 27-28 Dec, Madras, India

January 2003

MEDCONF-3: 3-5 Jan, Athens. Third Mediterranean Conference in Mathematics Education

February 2003

AMAM 2003: 10-13 Feb, Nice. Applied Mathematics and Applications of Mathematics - first joint conference of the European Mathematical Society and the French societies SMF and SMAI

MKM 2003: 16-18 Feb, University of Bologna, Second International Conference on Mathematical Knowledge Management

CERME 3: Tools and Technologies in Mathematical Didactics: 28 Feb-3 Mar, Bellaria, Italy.

March 2003

LTSN Annual Conference: 5-6 March, Coventry

April 2003

MEE 2003: 1-3 April, Loughborough University. The fourth IMA conference on the Mathematical Education of Engineers will include a pre-conference morning workshop from the LTSN MathsTEAM. See ad on page 55 for full details

Further details and all Web addresses at http://mathstore.gla.ac.uk/events_diary.asp

BAMC 2003: 7-10 April, Southampton. British Applied Mathematics Colloquium

BMC 2003: 7-10 April, Birmingham. British Mathematical Colloquium

HoDoMS conference: 10-11 April, University of Greenwich

Mathematical Association Annual Conference: 12-15 April, University of East Anglia

May 2003

Mathletics Online objective tests workshop organised by LTSN Maths, Stats & OR Network: 8 May, Brunel. Mathletics is a set of web-based tests recently developed at Brunel using the Perception authoring system.

June 2003

ITEM: 20-22 June, Reims, France. European Congress on Integrating Technologies into Mathematics Education, Information and Communication Technologies in Mathematics Teaching and Learning and in Teacher Professional Development

3rd CAME Symposium: 23-24 June Reims, following ITEM. The theme of the symposium is Learning in the CAS environment: effects on habits of mind, curriculum and assessment

July 2003

IMS 2003: 7-11 July, Imperial College London. The International Mathematica Symposium 2003

ICIAM 2003: 7-11 July, Sydney. The fifth International Congress in Industrial and Applied Mathematics

PME27: 13-18 Jul, Honolulu. Psychology of Mathematics Education (PME) Annual Meeting

September 2003

ALT-C 2003: 8-10 Sep, Sheffield. Annual conference of the Association for Learning Technology

2004

BMC 2004: 5-8 April 2004, Belfast: British Mathematics Colloquium 2004

ICME-10: 4-11 July 2004, Copenhagen. 10th International Conference on Mathematical Education
