

MSOR Connections

Vol 2 No 4 November 2002

Published quarterly by the LTSN
Maths, Stats & OR Network.

The Network is supported by the
four higher education funding
bodies in England, Scotland,
Wales and Northern Ireland.

The newsletter is available free of
charge to academics in UK
higher education institutions. For
those outwith this sector, a paid
subscription scheme exists.
Contact the Network for details.

Contributions are invited - please
contact the editors.
Advertisements and inserts can
also be accepted - see page 5.

The articles and reviews from this
newsletter will shortly be
published on the Network's Web
site. Many other resources can
be viewed at
<http://ltsn.mathstore.ac.uk/>
for Mathematics, and
<http://mathstore.gla.ac.uk>
<http://science.ntu.ac.uk/rsscse/>
for Statistics

ISSN 1473-4869

Maths, Stats & OR Network

Welcome to the November 2002 edition of *MSOR Connections*, a newsletter for those involved in teaching mathematics, statistics or operational research in higher education. We hope you will use this newsletter to share information and expertise with other practitioners, especially by contributing to our regular features *Have you seen this?* and *Something that worked for me...* We'd also like you to send back our feedback questionnaire which is included separately.

Overleaf you will find a report of recent activities and plans for the next few months. This is followed by articles on the experience of a disabled mathematics student, good practice in assessment and the interface between school and university. There are also progress reports from various teaching and learning projects, an account of research into use of courseware, reviews of books and software, accounts of recent workshops and conferences, and invitations to three conferences in 2003.

If you have any questions about our activities, need information about the Network or would like to order any of our publications, please contact our administrator Jenny Nolan at the Birmingham site, telephone 0121 414 7095, or email info@mathstore.ac.uk

Contents

Search for the best maths tutors on screen	3
Something that worked for me - STEPS problems investigated	4
Overcoming the Barriers	7
Student Assessment in Maths, Stats and OR	9
Teaching and learning across the A level - university transition	14
Enabling Access to Further Mathematics	19
Welcome to MathBank	23
Older and Mathwiser?	25
CAST of Thousands	28
Scientific Workplace v4.0 - a mathematical tool reaches maturity	32
Maple goes GUI with Maplets - a review of Maple 8	37
Review of MathAid Precalculus v15.33	41
Book Reviews:	45
Mathematics Teaching Practice / Mathematics: A Second Start	
Multimedia Tools for Communicating Mathematics (MTCM2000)	
Updates - MathGate and CAA in Mathematics	48
Short Course: Teaching Statistics in Finance	50
Conference Reports and Invitations	51
ICM Satellite Conference / Institute for Maths Pedagogy	
International Conference on Teaching of Maths / UMTC	
Mathematica Symposium / Mathematical Education of Engineers	
Diary	56
